

Dear ActOne Government Solutions Participant,

Welcome to your 2024 Open Enrollment for your **Aetna MedPremier Benefits Plan**. To remain in the plan and maintain your current benefits and dependent elections, you do not need to take any action. Your current MedPremier benefits will remain in force for the 2024 Plan year.

Not making any changes to your enrollment?

- **You are automatically provided Employee Only coverage at no cost to you.** You will automatically be rolled into this new plan effective 1/1/24 according to your current benefit status. If you have dependents enrolled currently and do not make any changes, their enrollment will carry over through the 2024 plan year and your paycheck will be deducted the monthly costs outlined in the enclosed Overview document, depending on your current tier level of coverage.

Want to make changes to your enrollment?

- **If you intend to make any changes to your current enrollment (i.e.: add / remove a dependent) you have from November 17 – December 8 to do so.** Any dependents added to the plan will be paid by you through payroll deductions. The monthly costs of dependent coverage can be found on the enclosed Aetna MedPremier Benefit Overview document. The online portal will allow you to add or remove any eligible dependents on your plan under the "Dependents" section. **If you intend to make any changes to your enrollment, please do so by December 8.**
